EAMMIS 2021
Call for papers

Bridges Foundation and Istanbul Medeniyet University invite scholars, practitioners, and research students to submit and present their papers and findings to the EAMMIS 2021 conference on Artificial Intelligence Systems and the Internet of Things in the Digital Era to be held on March 19-20, 2021 at Istanbul, Turkey. Theoretical and empirical papers employing quantitative, qualitative, and/or critical methods are welcomed.

Authors should submit original, unpublished research papers, and must not simultaneously submit to another journal or conference. All accepted papers will be published in the conference proceedings "*Artificial Intelligence Systems and the Internet of Things in the Digital* Era" as a volume of *"Advances in Intelligent Systems and Computing*" series published by Springer Verlag. Indexing by SCOPUS, SJR Q3, ISI Proceedings Clarivate Analytics WEB OF SCIENCE, EI-Compendex, DBLP, Google Scholar, and Springerlink.

Authors are encouraged to submit their papers based on one of the five tracks:

(1) Innovation in the Digital Era,
(2) Industry 4.0 Management for Sustainable Technologies,
(3) Utilization of Blockchain, DLT and Fintech for AI and IoT in the digital era,
(4) Role of Cyber security and privacy facilitated by AI and IoT, and
(5) Fifth Industrial Revolution: The Internet of Ideas, though not limited to the topics in this list.

Authors of selected papers will be invited to submit an extended and revised version of their paper for fast track review and publication in Emerald and Inderscience journal special and regular issues, indexed by SCOPUS, ADBC, SJR, WEB OF SCIENCE / SCI / ESCI, and/or UGC CARE.

Looking forward to your participation. Registration is open now.

Sincerely,
EAMMIS 2021 conference chairs.
